Ravalli County Commissioners

--	--	--	--	--

Mr. Ohnstad

Some few days ago I called you regarding my concerns with safe ingress/regress of driveways adjacent to and including my own at 619 Groff Lane. You refused my request for a site visit with myself and a retired Engineer. Your office told me that you have Groff listed as a main collector roadway and you required sight distance of 495ft. The vertical curves East of my proposed driveway are too sharp to meet County road standards for the posted speed limit. Even if this section of Groff Lane is correctly classified as a major collector, which is questionable, the posted speed limit is too high for road conditions. The vertical curve just East of my property does not meet the County Road Standards for 45 mph or even 35 mph.

My lot was approved for residential use by Ravalli County. The County approved a residential Septic Permit. A home is in place and currently occupied. My proposed driveway meets County Standards for sight distance for a road correctly signed. It can be adjusted slightly to meet County Standards for a 35 mph major collector.

I again request you meet me on site to discuss this.

Respectfully

619 Groff Lane
Stevensville, Mt. 59870
Darrell Binkerd

Вот так, вкратце, описал я свой путь к созданию этой книги. Надеюсь, что она будет полезна не только тем, кто интересуется проблемами культуры, но и тем, кто хочет узнать, как можно было бы использовать знания, полученные в области культуры, для решения практических задач.

1. The first part of the document is a letter from the President of the United States to the Congress, dated January 1, 1861. It is a formal communication, and it is written in a very dignified and official style. The President expresses his regret that he cannot deliver the message in person, and he explains the reasons for this. He then proceeds to discuss the state of the Union, and he mentions the recent events of the year. He also talks about the future of the country, and he expresses his confidence in the people. The letter is very long, and it covers a wide range of topics. It is a very important document, and it is one of the most famous speeches in American history.
